

Checklist for moving
ACM Movers Transportation Inc.

Two Months Before Moving

- Create a moving binder to track moving quotes, receipts, and records.
- Sort through belongings and decide what to keep, sell, donate, or discard.

Six Weeks Before Moving

- Order supplies including boxes, tape, bubble wrap, and markers.
- Start using up perishables and cleaning supplies that cannot be moved.

One Month Before Moving

- Choose a reliable moving company and confirm the arrangements.
- Begin packing non-essential items and seasonal clothing.

Two Weeks Before Moving

- Notify utility companies and arrange for services at your new home.
- Change your address with the post office, banks, and other institutions.

One Week Before Moving

- Finish packing all items except essentials and prepare an essentials box for the first night.
- Confirm moving day logistics with the moving company.

Moving Day

- Verify that everything is labeled and inventoried before the movers arrive.
- Take photos of valuable items and note any existing damages for reference.

Post-Move

- Unpack essentials first and gradually set up your new home.
- Register for local services and get involved in the community to start feeling at home.

Community Driving Initiative

Move, Feel, Share

Share your moving story to help someone in your shoes!

Your moving story matters. Share your experiences to connect with and inspire the community, or find solace and guidance in the stories of others.
